"He was my master. Would have been my friend, perhaps, if I'd stayed on Roke. Have wizards friends? No more than they have wives, or sons, some would say.... Once he said to me that in our trade it's a lucky man who finds someone to talk to. Keep that in mind. If you're lucky, one day you'll have to open your mouth." banners were those of captured towns and isles, and the king was the warlord Losen. Losen never.obey, your majesty." He summoned his wizards, and the mage Early came, bowing low. "Make me walk!".gasping, the wizard asked gently, "Are you afraid of the King?".They walked without light except for the faint werelight Gelluk sent before them. They went through long-disused levels, yet the wizard seemed to know every step, or perhaps he did not know the way and was wandering without heed. He talked, turning sometimes to Otter to guide him or warn him, then going on, talking on.."Why are we wasting time here?" he demanded, as Tern let the bucket down into the well. All his notions of humiliating the Masters as they had humiliated him.The dark-eyed mage bowed his head at that, and said, "Very well," evidently with relief at."Nonsense! Not history!" said the old Namer. "The first Archmage came centuries after the last king. Roke ruled in the kings' stead."The witch shook her iron-grey head once. "I can't tell you." Her 'can't' did not mean 'won't'. Dragonfly waited. "It's the power, like I said. It comes just so." Rose stopped her spinning and looked up with one eye at a cloud in the west; the other looked a little northward of the sky. "You're there in the water, together, you and the child. You take away the child-name. People may go on using that name for a use-name, but it's not her name, nor ever was. So now she's not a child, and she has no name. So then you wait. You open your mind up, like. Like opening the doors of a house to the wind. So it comes. Your tongue speaks it, the name. Your breath makes it. You give it to that child, the breath, the name. You can't think of it. You let it come to you. It must come through you to her it belongs to. That's the power, the way it works. It's all like that. It's not a thing you do. You have to know how to let it do. That's all the mastery."Otter's breath was coming hard. Hound put his hand on Otter's hand for a moment, said, "Don't worry," and got to his feet. "Rest easy," he said..the high green hill. There, striking down dragons claws and beating rust-red wings, he lighted..He was glad to see the sorcerer uneasy too, standing by the helmsman, keeping a watch up on the masthead, taking in sail at the hint of a west wind. But the wind held steady from the north. A thunder-squall came pelting on that wind, and Ivory went down to the cabin, but Dragonfly stayed up on deck. She was afraid of the water, she had told him. She could not swim; she said, "Drowning must be a horrible thing - not to breathe the air." She had shuddered at the thought. It was the only fear she had ever shown of anything. But she disliked the low, cramped cabin, and had stayed on deck every day and slept there on the warm nights. Ivory had not tried to coax her into the cabin. He knew now that coaxing was no good. To have her he must master her; and that he would do, if only they could come to Roke..But as he went back up the streets of South Port he lost her. He swore to keep her with him, to with you-". There were two others, one equal, one greater. There was birth. When the Lord of the Western Land came to his domain near Glade, Golden was glad to show him fealty. The Lord was born to govern and to keep the peace, as Golden was born to deal with commerce and wealth, each in his place; and each, noble or common, if he served well and honestly, deserved honor and respect. But there were also lesser lords whom Golden could buy and sell, lend to or let beg, men born noble who deserved neither fealty nor honor. Power of birth and power of money were contingent, and must be earned lest they be lost.."I know where it is," Anieb said.."Mars?". "She took bird form. Osprey, they said. Didn't expect that from a girl so young. Gone before they knew it"..ox, the middle-aged man driving the iron-bladed plough, never a word spoken; as they started home.Gelluk was standing still, but his shaking hands were clenched, his whole tall body twitching and trembling, like a hound that wants to chase but cannot find the scent. There must have been something in my voice that made her control herself. Her face. "The Master said that such gifts or capacities, untrained, are not only wasted, but may be. Where my love is going. The True Runes used in the Archipelago embody words of the Speech of the Making. True Runes are not symbols only, but reifactors: they can be used to bring a thing or condition into being or bring about an event. To write such a rune is to act. The power of the action varies with the circumstances. Most of the True Runes are found only in ancient texts and lore-books, and used only by wizards trained in their use; but a good many of them, such as the symbol written on the door lintel to protect a house from fire, are in common use, familiar to unlearned people.. "I'll be going to Easthill with Sul's mules.. "My teacher was with me, and his teacher with him," Ogion said when they praised him. "I could hold the Gate open because he held the Mountain still." They praised his modesty and did not listen to him. Listening is a rare gift, and men will have their heroes..
