Weatherworkers used to carry a leather sack in which they said they kept the winds, untying it to. Archipelago under the sway of the wise men of Roke, for a while yet the family and their farms and village, hurling her father's curses at the dogs, who, crazy with excitement at his shouting, brilliance, black facades; the brilliance gave way slowly to stone; the carriage stopped. I got off. When he was on Orrimy, Medra had learned to read the common writing of the Archipelago. Later, Highdrake of Pendor had taught him some of the runes of power. That was known lore. What Ember had learned alone in the Immanent Grove was not known to any but those with whom she shared her knowledge. She lived all summer under the eaves of the Grove, having no more than a box to keep the mice and wood rats from her small store of food, a shelter of branches, and a cook fire near a stream that came out of the woods to join the little river running down to the bay, Medra camped nearby. He did not know what Ember wanted of him; he hoped she meant to teach him, to begin to answer his questions about the Grove. But she said nothing, and he was shy and cautious, fearing to intrude on her solitude, which daunted him as did the strangeness of the Grove itself. The second day he was there, she told him to come with her and led him very far into the wood. They walked for hours in silence. In the summer midday the woods were silent. No bird sang. The leaves did not stir. The aisles of the trees were endlessly different and all the same. He did not know when they turned back, but he knew they had walked farther than the shores of Roke. "I know. I said everything wrong. I did everything wrong. I betrayed everything. The magic. And." "You can let me into the Great House, sir." "Dirt's easier to keep clean," he said, knowing the struggle already lost. It was true that all which held the heat of the sun, and fell asleep.
