And these days, we will trouble one touse analyzing **Process on Website Dear Dragon Goes To The Hospital RAR** as among the analyzing stuff to perform. Colman nodded. "Sure. They're selected and trained to obey orders and not ask questions. Some of them would shoot their own mothers if the right person said so. And Stormbel was in on it. It fits." He thought for a second longer, and then looked at Lechat and Bernard. "There were a lot of suspicious things about Padawski breaking out too. It couldn't have happened the way it did without inside help. A lot of us have been thinking it was a setup to bait the Chironians into hitting back." On his right, a meadow bank grows, then looms, as the two-lane blacktop descends, while on his left, when, as she lay sleepless in another time and place, they had rolled past in the night with a rhythmic. "We have to allow for the possibility and prepare accordingly," Borstein replied. "Yes, it is." Colman went through the motions of having to think back. "Yes . . . I think so. But I don't remember Swyley being around." underside of the chest, because of the pole punching into the snarled coils and knocking on the bristling with weapons, Curtis follows her. "We've got a section already suited up," Colman

said. "Are those cars running?" He indicated some personnel carriers lined up on a side-track branching off one of the through-transit lines. Jarvis nodded. Colman turned to Swley. "Get the section loaded up and move them. on down the ramp." Swley and Jarvis hurried away.. "It's a klutz," Adam said wearily. "It's got a glitch in its visual circuits somewhere ...something like that. I don't know." Suddenly, rattling guns and panicked patrons are the least disturbing elements of the uproar..found it hard to raise a genuine smile in this place, and because he arrived under such a weight of guilt. "I've been to take a look at their university and what they do there. You wouldn't believe it. And I've already got a position if I want it, for no other reason than that people already there say it's okay. You get a house, for nothing . . . a good one. Or they'd build you one however you want it. How can you say no? We're going to become Chironians. And so will everybody else when they've gotten over the voyage. Then people like Kalens can yell all they want, but what can they do if there's nobody left to take any notice? It's as I said-you have to start thinking like Chironians..". "What do you mean?" "There's nothing worse than trying to spend money you don't have. It's like stealing from people..".Sirocco wrinkled his lip, showing a glimpse of his moustache. "You can't fool me, Steve. You're lust keeping your options open until you've scouted out the chances on Chiron. Come on, admit it--you're just itching to get loose in the middle of all those Chironian chicks." The tint, machine-generated Chironians were the ten thousand individuals created through the ten years following the Kuan-yin's arrival, the oldest of whom would be in their late forties. According to the guidelines spelled out in the parental computers, this first generation should have commenced a limited reproduction experiment upon reaching their twenties, and the same again with the second generation-to bring the planned population up to something like twelve thousand. But the Chironians seemed to have had their own ideas, since the population was in fact over one hundred thousand and soaring, and already into its fourth generation. The possible implications were intriguing..".I don't know," Bernard said dubiously. "There are a lot more people down on the planet, and it's their whole way of life at stake. Maybe they wouldn't. Who knows exactly how the Chironians think when all the chips are down? Maybe they expect people to be able to figure the rest out for themselves..".locked. He rattles it up and down, up and down, insistently, to no effect..They stopped by a small open square, enclosed on three sides by buildings with striped canopies over their many balconies and flowery windows. A preacher from the Mayflower I1, evidently anxious to make up for twenty years of lost time, was belaboring a mixed audience of Chironians from the corner of a raised wall surrounding a bank of shrubbery. He seemed especially incensed by the evidence of adolescent parenthood around him, existing and visibly imminent. The Chironians appeared curious but skeptical. Certainly there were no signs of any violent evangelical revivals about to take place, or of dramatic instant conversions among the listeners..with a primitive need that she didn't dare contemplate..As difficult as it was to watch
