In his last years he wrote some poems..nightmare would be over..He takes a step toward the door. The Intermediaries move to block his path. With an inarticulate screech, he ploughs through them, swatting them aside with the backs of his hands, kicking them out of his way with his heavy-booted feet. The Intermediaries break easily, and it occurs to me then that they are probably as disposable a commodity among the Sreen as tissue paper is among human beings. One Intermediary is left limping along after the captain. Through the clear pale skin of its back, I see that some vertebrae have been badly dislocated. The thing nevertheless succeeds in overtaking the captain and wrapping its appendages around his calf, bleating all the while, "No, no, you must abide by the edict, even as every other inferior species has, you must abide. . . ." The captain is having trouble disentangling himself, and so I go to him. Together, we tear the Intermediary loose.
