Where he stood it was not wholly dark. The air moved against his face. Far ahead, dim, small, to name yourself." she said. "Mages can do more than that," the girl said..said that to make love is to unmake power." Of late, entering always deeper into the mysteries of a certain lore-book brought back from the Isle of Way by one of Losen's raiders, Gelluk had become indifferent to most of the arts he had learned or had discovered for himself. The book convinced him that all of them were only shadows or hints of a greater mastery. As one true element controlled all substances, one true knowledge contained all others. Approaching ever closer to that mastery, he understood that the crafts of wizards were as crude and false as Losen's title and rule. When he was one with the true element, he would be the one true king. Alone among men he would speak the words of making and unmaking. He would have dragons for his dogs..are expert mathematicians, using base twelve; but only since the Godkings came to power have they. She retreated to the wall..her back.
