And as he seemed a shell of the man he had been, the assembly facing him was a skeleton of the body that had sat on the day when the proud ship settled into orbit at the end of its epic voyage. Some, such as Marcia Quarrey, had vanished without warning during the preceding weeks as Chiron's all pervasive influence continued to take its toll; a few down on the surface had been unable to return in time for the emergency session. Nevertheless, at short notice Wellesley had managed to scrape together a quorum. He told them of his intention; a few voices of protest and dissent had been heard; and now the legislators waited to hear the decision that to most of them was already a foregone conclusion..Simultaneously, the guy with the polished head and the decorated nostril used the lug-wrench end of the.The trailer is oddly constructed, with a pair of large doors on the side, instead of at the back. "When are you coming down to Chiron?".Lechat waited for the noise to die away and managed to bring his feelings under control sufficiently to muster a semblance of dignity appropriate to the moment But simplicity and brevity were appropriate too. "I am honored and privileged by this appointment, and I will dedicate myself for the duration of my term to serving the best interests of our people to the best of my ability," he announced, "in accordance with that promise, my first official act is to restore the full powers of Congress as previously ~suspended, and my second is to declare the state of emergency ended as of this moment," Another round of applause, this time briefer than before, greeted the statement. "Next, I have two proposals to put to the vote of the assembly," Lechat said. "But before I do so, I feel that the Supreme Military Commander of the Mission might wish to speak." He sat down, looked along the dais toward Borftein, and motioned with his hand an invitation for the general to take it from there..Sterm was unperturbed, as if he had been expecting such an answer. "I made no mention of your wanting to save yourself physically. I have already pointed out that we are both realists, so there is no need for you to feel any obligation to pretend that you misunderstood." He paused as if to acknowledge her right to reply, but gave the impression that he didn't expect her to. She raised her glass to her lips and found that her hand was trembling slightly. Sterm resumed. "The dream has crumbled away, hasn't it, Celia. I know it, you know it, and a part of Howard's mind knows it deep down inside somewhere while the rest is going insane. You expected to share a world, but instead all you stand to share is a cell with a madman. The world is still out there but you cannot accept it as it is, and Howard will never be able to change it now." Sterm extended a hand expressively. "And the future awaits you." He paused again, watched as Celia lowered her eyes, and nodded. "Yes, I could persuade Wellesley to overrule the eviction orders, or arrange for Borftein to reinforce the Phoenix garrison, put SDs around the house so that you would never have need to fear for your safety.
