I think this is a good one. But so far, you've only sung it to another man." Having survived the night, Edom and Jacob were waiting in the hall. Each kissed his nephew, but neither could speak. It wasn't as if this was Junior's first encounter with a dead body. In the past few years, he'd become as comfortable with the deceased as any mortician might be. They were as unremarkable to him as cupcakes were to a baker. Sitting in Simon Magusson's mahogany-paneled office, reading the contents of this file, Junior was aghast. "I could have been killed." In the name of Zedd, slow deep breaths. Focus not on the past, not on the present, but only on the future. What has happened is of no importance. All that matters is what will happen next. Now, if Victoria reported to Vanadium that Junior had shown up at her door with a red rose and a bottle of Merlot and with romance on his mind, the demented detective would be on his ass again for sure. Vanadium might think that the nurse had misinterpreted the business with the ice spoon, but the intent in this instance would be unmistakable, and the crusading cop-the holy fool-would never give up. He was, in fact, a first-rate driver, with an impeccable record at the age of thirty: no traffic citations, no accidents. Junior took one of the boxed guns, a 9-mm semiautomatic. Months would probably pass before she noticed the pistol missing from the back of her closet, and by then she wouldn't know who had taken it. Two high-quality deadbolt locks. Sufficient protection against the average intruder, but inadequate to keep out a self-improved man with channeled anger. Edom and Jacob arrived, dinner was served, and while the food was wonderful, the conversation was better-even though the twins occasionally shared their vast knowledge of train wrecks and deadly volcanic eruptions. Paul didn't contribute much to the talk, because he preferred to bask in it. If he hadn't known any of these people, if he had walked into the room while they were in the middle of dinner, he would have thought they were family, because the warmth and the intimacy-and in the twins' case, the eccentricity-of the conversation were not what he expected of such newly made friends. There was no pretense, no falsity, and no avoidance of any awkward subject, which meant there were sometimes tears, because the death of Reverend White was such a fresh wound in the hearts of those who loved him. But in the healing ways of women that remained mysterious to Paul even as he watched them do. The odds against drawing a jack of spades four times in a row out of four combined and randomly shuffled decks were forbidding. Jacob didn't have the knowledge necessary to calculate those odds, but he knew they were astronomical. During the five years following Agnes's death, their family of many names thrived. Barty and Angel had brought them all together in this place fifteen years previously, but the destiny about which Toni had spoken on the back porch, that night in the rain, seemed to be in no hurry to manifest itself Barty could find no painless way to sustain secondhand sight, so he lived without the light. Angel had no reason to shove anyone else into the world of the big bugs, where she'd pushed Cain. The only miracles in their lives were the miracles of love and friendship, but the family remained convinced of eventual wonders, even as they got on with the day at hand. Between new women and needlepoint pillows, he participated in s?ances, attended lectures given by ghost hunters, visited haunted houses, and read more strange books. He even sat for the camera of a famous medium whose photographs sometimes revealed the auras of benign or malevolent presences hovering in the vicinity of her subject, though in his case she could discern no telltale sign of a spirit. In the three years since Perri's death, he had walked thousands of miles. He hadn't kept a record of the cumulative distance, because he wasn't trying to get into Guinness or to prove anything. Reverend White's murder received significant coverage throughout the nation, especially in West Coast papers, because of its perceived racial motivation and because it involved the burning of a parsonage. Drawn by voices on the second floor, Tom took the stairs two at a time. A man and a boy. Barty and Cain. To the left in the hallway, and then to a room on the right. In his seventies but vigorous and full of fun, Sparky liked to take an occasional jaunt to Reno, to pump the slot machines and try a few hands of blackjack. The off-the-record, tax-free monthly checks from Simon were gratefully received, ensuring the old man's cooperation with the conspiracy. As he entered, the visitor's back was to Junior, and he moved toward the table, where dead Victoria sat with her head on her folded arms. She looked for all the world as though she were just resting. He intended to mash the sole of Victoria's right shoe in the pat of butter and leave a long smear on the floor, as though she slipped on it and fell toward the ovens. "I'm a healer, not a prosecutor. I'm not in the habit of making accusations, especially not against my own patients." "Your dad didn't just like Christmas, he loved Christmas. He started planning for it in June. If there wasn't already a Santa Claus, your father would have taken on the job." This consequence of rape, the baby, was less baby to Celestina than cancer, a malignancy excised rather than a life delivered. She had been no more impelled to study the child than she would have been, charmed to examine the glistening gnarls and oozing convolutions of a freshly plucked tumor. Consequently, she could remember nothing of its squinched face. Now that efforts were being made to control the preclampsia, Dr. Daines had scheduled a series of tests for the following day. He expected to recommend a cesarean section as soon as Phimie's e's blood pressure was reduced and stabilized, but he didn't want to risk this surgery before determining what complications might have resulted from her restricted diet and the compression of her abdomen. Evidently, last evening, prior to keeping a dinner date with Victoria, when the taunting detective had illegally entered Junior's house and placed another quarter on the nightstand, he had seen the directory open on the kitchen table. Deducing the meaning of the red check marks, he inserted this card and closed the book: another small assault in the psychological warfare that he'd been waging. Hound smiled. "They haven't undone what you did yet, either," he said. "Old Whiteface was crawling all over her yesterday, growling and muttering. Ordered the helm replaced." He meant Losen's chief mage, a pale man from the North named Gelluk, who was much feared in Havnor. Jabbing his forefinger at each of the remaining treats, Barty said, "Pie, pie." April 23, 1940, Natchez, Mississippi, dance-hall fire-one hundred ninety-eight dead. December 7, 1946, Atlanta, Georgia, the Winecoff Hotel fire-one hundred nineteen dead. Agnes remembered the blood, the awful red flood. Excruciating pain and such fearsome crimson torrents. She'd thought her baby had entered the world stillborn on a tide of its own blood and hers. "December 1, 1958, in Chicago, Illinois, a parochial-school fire killed ninety-five." When Seraphim's bastard baby was dead, evidence of paternity would die with it-and any claim for child support. Even Vanadium's stubborn, selfish, greedy, grubbing, vicious, psychotic, evil spirit would have to recognize that all hope of bringing Junior down was lost, and it would at last either dissipate in frustration or be reincarnated. On one particular street in Bright

Beach, however, the most significant event of the year occurred on a pleasant afternoon in early April, when Barty, now nine years old, climbed to the top of the great oak and perched there in triumph, king of the tree and master of his blindness..Hers were the most feminine hands he'd ever seen. Slender, soft, prettier than Naomi's. He had no idea what she was talking about..He met her eyes, but at once shifted his gaze to the porch floor again. "I've come to say ... how sorry I am, how miserably sorry."..Here, four days past Christmas, after two days of torment, Agnes knew the worst, that her treasured son must go eyeless or die, must choose between blindness or cancer of the brain..The revolving beacons dwindled, casting off blue-and-red pulses of light that shimmered-swooped through the diffusing fog, as if they were disembodied spirits seeking someone to possess..Smiling again, speaking in a voice hardly louder than a whisper, he said, "Got a wedding date to keep"..Excessive insurance, Agnes believed, was a temptation to fate. "A reasonable policy, yes, that's fine. But a big one ... it's like betting on death"..This claim wasn't true. His father, an unsuccessful artist and highly successful alcoholic, lived in Santa Monica, California. His mother, divorced when Junior was four, had been committed to an insane asylum twelve years ago. He rarely saw them. He hadn't told Naomi about them. Neither of his parents was a resume enhancer..evening. She brought her daughters, seven-year-old Bonita and six year-old Francesca, who came with their newest Barbie dolls-Color Magic Barbie, the Barbie Beautiful Blues Gift Set, Barbie's friends.Celestina's question had been about Phimie, but they had told her about the baby, and she was alarmed by their evasion..The doors were unlocked on a pickup parked next to the Pontiac. Junior lifted the granny onto the front seat of the truck. She was so light, so unpleasantly angular, and she rustled so much that she might have been a new species of giant mutant insect that mimicked human appearance. He was glad, after all, that he hadn't killed her: Granny's prickly--bur spirit might have proved to be as difficult to eradicate as a cockroach infestation. With a shudder, he tossed her purse on top of her, and slammed the truck door..With that thought, he made himself laugh. Unfortunately, his laughter was high-pitched and shaky, and it scared the hell out of him..Who else? I think there's romance in the air. The cow-eyed way he looks at her, she could knock his knees out from under him just by giving him a wink..Otter's humble teachers had taught him pride. They had trained into him a deep contempt for wizards who worked for such men as Losen, letting fear or greed pervert magic to evil ends. Nothing, to his mind, could be more despicable than such a betrayal of their art. So it troubled him that he couldn't despise Hound.
