We're the place to get for your book that is referred. And your time to acquire this specific guide as among the compromises has already been ready. I seated myself amidward the saloon, misdoubting, and as I sat, there came down on me from the estrade seven naked men, without other clothing than leather girdles about their waists. One of them came up to me and took my turban, whilst another took my handkerchief, that was in my sleeve, with my money, and a third stripped me of my clothes; after which a fourth came and bound my hands behind me with his girdle. Then they all took me up, pinioned as I was, and casting me down, fell a-dragging me towards a sink-hole that was there and were about to cut my throat, when, behold, there came a violent knocking at the door. When they heard this, they were afraid and their minds were diverted from me by fear; so the woman went out and presently returning, said to them, 'Fear not; no harm shall betide you this day. It is only your comrade who hath brought you your noon-meal.' With this the new-comer entered, bringing with him a roasted lamb; and when he came in to them, he said to them, 'What is to do with you, that ye have tucked up [your sleeves and trousers]?' Quoth they, '[This is] a piece of game we have caught.' Now it chanced that a camel-driver, belonging to Kisra the king, lost certain camels and the king threatened him, if he found them not, that he would slay him. So he set out and plunged into the deserts till he came to the place where the damsel was and seeing her standing praying, waited till she had made an end of her prayer, when he went up to her and saluted her, saying, 'Who art thou?' Quoth she, 'I am a handmaid of God.' 'What dost thou in this desolate place?' asked he, and she said, 'I serve God the Most High.' When he saw her beauty and grace, he said to her, 'Harkye! Do thou take me to husband and I will be tenderly solicitous over thee and use thee with exceeding compassion and I will further thee in obedience to God the Most High.' But she answered, saying, 'I have no need of marriage and I desire to abide here [alone] with my Lord and His service; but, if thou wouldst deal compassionately with me and further me in the obedience of God the Most High, carry me to a place where there is water and thou wilt have done me a kindness.' d. The Fourth Voyage of Sindbad the Sailor cclix. STORY OF THE LACKPENNY AND THE COOK. When the prefect saw this, he said, "By Allah, the captain is excused!" Then my comrades came round about me and sprinkled water on my face, [till I came to myself.] when I arose and accosting the Cadi, who was covered with confusion, said to him, "Thou seest that suspicion is fallen on thee, and indeed this affair is no light matter, for that this woman's family will assuredly not sit down under her loss." Therewith the Cadi's heart quaked and he knew that the suspicion had reverted upon him, wherefore his colour paled and his limbs smote together; and he paid of his own money, after the measure of that which he had lost, so we would hush up the matter for him. (106) Then we departed from him in peace, whilst I said in myself, "Indeed, the woman deceived me not." Quoth I (and mine a body is of passion all forslain, Ay, and a heart that's all athirst for love and longing pain. I abode in my house, ill, a whole month; after which I went to the bath and coming out, opened my shop [and sat selling and buying as usual], but saw no more of the man or the woman, till, one day, there stopped before my shop a young man, [a Turcoman], as he were the full moon; and he was a sheep-merchant and had with him a bag, wherein was money, the price of sheep that he had sold. He was followed by the woman, and when he stopped at my shop, she stood by his side and cajoled him, and indeed he inclined to her with a great inclination. As for me, I was consumed with solicitude for him and fell to casting furtive glances at him and winked at him, till he chanced to look round and saw me winking at him; whereupon the woman looked at me and made a sign with her hand and went away. The Turcoman followed her and I counted him dead, without recourse; wherefore I feared with an exceeding fear and shut my shop. Then I journeyed for a year's space and returning, opened my shop; whereupon, behold, the woman came up to me and said, 'This is none other than a great absence.' Quoth I, 'I have been on a journey;' and she said, 'Why didst thou wink at the Turcoman?' 'God forbid!' answered I. 'I did not wink at him.' Quoth she, 'Beware lest thou cross me;' and went away.. OF LOOKING TO THE ISSUES OF AFFAIRS. When King Shehriyar heard his brother's words he rejoiced with an exceeding joy and arising forthright, went in to his wife Shehrzad and gave her to know of that which his brother purposed, to wit, that he sought her sister Dinarzad in marriage; whereupon, "O king of the age," answered she, "we seek of him one condition, to wit, that he take up his abode with us, for that I cannot brook to be parted from my sister an hour, because we were brought up together and may not brook severance from each other. If he accept this condition, she is his handmaid." King Shehriyar returned to his brother and acquainted him with that which Shehrzad had said; and he answered, saying, "Indeed, this is what was in my mind, for that I desire nevermore to be parted from thee. As for the kingdom, God the Most High shall send unto it whom He chooseth, for that there abideth to me no desire for the kingship." I am become, for severance from my loved one, Like a left hand, forsaken of the right. Since thou hast looked on her, mine eye, be easy, for by God Nor mote nor ailment needst thou fear nor evil accident.. Endowed with amorous grace past any else am I, ii 253. Where is a man's resource and what can he do? It is the Almighty's will; we most submit. O thou that questionest the lily of its scent, Give ear unto my words and verses thereanent. e. The Fifth Voyage of Sindbad the Sailor cclxiii. When the appointed day arrived, En Numan sent for Sherik and said to him, "Verily the first part of this day is past." And Sherik answered, "The king hath no recourse against me till it be eventide." When it evened, there appeared one afar off and En Numan fell to looking upon him and on Sherik, and the latter said to him, "Thou hast no right over me till yonder fellow come, for belike he is my man." As he spoke, up came the Tai in haste and En Numan said "By Allah, never saw I [any] more generous than you two! I know not whether of you is the more generous, this one who became warrant for thee in [danger of] death or thou who returnest unto slaughter." Then said he to Sherik, "What prompted thee to become warrant for him, knowing that it was

death?" And he said, "[I did this] lest it be said, 'Generosity hath departed from viziers.'" Then said En Numan to the Tai, "And thou, what prompted thee to return, knowing that therein was death and thine own destruction?" Quoth the Arab, "[I did this] lest it be said, 'Fidelity hath departed from the folk.'" And En Numan said, "By Allah, I will be the third of you, (173) lest it be said, 'Clemency hath departed from kings.'" So he pardoned him and bade abolish the day of ill-omen; whereupon the Arab recited the following verses: The money-changer thought they did but finesse with him, that they might get the ass at their own price; but, when they went away from him and he had long in vain awaited their return, he cried out, saying, 'Woe!' and 'Ruin!' and 'Alack, my sorry chance!' and shrieked aloud and tore his clothes. So the people of the market assembled to him and questioned him of his case; whereupon he acquainted them with his plight and told them what the sharpers had said and how they had beguiled him and how it was they who had cajoled him into buying an ass worth half a hundred dirhems (47) for five thousand and five hundred. (48) His friends blamed him and a company of the folk laughed at him and marvelled at his folly and his credulity in accepting the sharpers' talk, without suspicion, and meddling with that which he understood not and thrusting himself into that whereof he was not assured..? ? ? ? e. King Dadbin and his Viziers ccclv. Now there was a ruined building hard by and he climbed up on to a high wall and gave not over clambering hither and thither, of the excess of his carefulness, till his feet betrayed him and he slipped [and fell] to the bottom and died, whilst his companions arose in the morning in health [and weal]. Now, if he had overmastered his corrupt (259) judgment and submitted himself to fate and fortune fore-ordained, it had been safer and better [for him]; but he made light of the folk and belittled their wit and was not content to take example by them; for his soul whispered him that he was a man of understanding and he imagined that, if he abode with them, he would perish; so his folly cast him into perdition. Nor," added the vizier, "is this more extraordinary than the story of the man who was lavish of his house and his victual to one whom he knew not". As for the king their father, he abode with his wife, their mother, what while God (to whom belong might and majesty) willed, and they rejoiced in reunion with each other. The kingship endured unto them and glory and victory, and the king continued to rule with justice and equity, so that the people loved him and still invoked on him and on his sons length of days and durance; and they lived the most delightful of lives till there came to them the Destroyer of Delights and Sunderer of Companies, He who layeth waste the palaces and peopleth the tombs; and this is all that hath come down to us of the story of the king and his wife and children. Nor," added the vizier, "if this story be a solace and a diversion, is it pleasanter or more diverting than that of the young man of Khorassan and his mother and sister.". There was once a sage of the sages, who had three sons and sons' sons, and when they waxed many and their posterity multiplied, there befell dissension between them. So he assembled them and said to them, 'Be ye one hand (219) against other than you and despise (220) not [one another,] lest the folk despise you, and know that the like of you is as the rope which the man cut, when it was single; then he doubled [it] and availed not to cut it; on this wise is division and union. And beware lest ye seek help of others against yourselves (221) or ye will fall into perdition, for by whosoever means ye attain your desire, (222) his word (223) will have precedence of (224) your word. Now I have wealth which I will bury in a certain place, so it may be a store for you, against the time of your need.' Relief, Story of the Prisoner and how God gave him, i. 174..23. Hatim et Tai; his Generosity after Death cclxx. Thou that the dupe of yearning art, how many a melting wight, iii. 86..? ? ? ? d. The Fourth Voyage of Sindbad the Sailor dl. When Tuhfeh heard this, she gave a great cry, that the folk heard her and Kemeriyeh said, 'Relief is at hand.' Then she looked out to them and called to them, saying, 'O daughters of mine uncle, I am a lonely maid, an exile from folk and country. So, for the love of God the Most High, repeat that song!' So Kemeriyeh repeated it and Tuhfeh swooned away. When she came to herself, she said to Jemreh, 'By the virtue of the Apostle of God (whom may He bless and preserve!) except thou suffer me go down to them and look on them and sit with them awhile, [I swear] I will cast myself down from this palace, for that I am weary of my life and know that I am slain without recourse; wherefore I will slay myself, ere thou pass sentence upon me.' And she was instant with her in asking..124. The Saint to whom God gave a Cloud to serve him and the Devout King cccclxxiii. Reshid (Er), Tuhfet el Culoub and, ii. 203..? ? ? ? ? Nay, though ye read therein discourse that sure should speak To heart and soul, no word thereunto ye replied,. Now the king of the city was dead and had left no son, and the townsfolk fell out concerning who should be king over them: and their sayings differed and their counsels, so that turmoil was like to betide between them by reason of this. At last, after long dissension, they came to an accord and agreed to leave the choice to the late king's elephant and that he unto whom he consented should be king and that they would not contest the commandment with him. So they made oath of this and on the morrow, they brought out the elephant and came forth to the utterward of the city; nor was there man or woman left in the place but was present at that time. Then they adorned the elephant and setting up the throne on his back, gave him the crown in his trunk; and he went round about examining the faces of the folk, but stopped not with any of them till he came to the banished king, the forlorn, the exile, him who had lost his children and his wife, when he prostrated himself to him and placing the crown on his head, took him up and set him on his back..? ? ? ? d. The Tailor's Story cxxxvi. One day, as I was thus feigning sleep, I felt a hand in my lap, and in it a magnificent purse. So I seized the hand and behold, it was that of a fair woman. Quoth I to her, "O my lady, who art thou?" And she said, "Rise [and come away] from here, that I may make myself known to thee." So I arose and following her, fared on, without tarrying, till she stopped at the door of a lofty house, whereupon quoth I to her, "O my lady, who art thou? Indeed, thou hast done me kindness, and what is the reason of this?" "By Allah," answered she, "O Captain Mum, I am a woman on whom desire and longing are sore for the love of the daughter of the Cadi Amin el Hukm. Now there was between us what was and the love of her fell upon my heart and I agreed with her upon meeting, according to possibility and convenience. But her father Amin el Hukm took her and went away, and my heart cleaveth to her and love-longing and distraction are sore upon me on her account.". It is said that El Mamoun (164) came one day upon Zubeideh, mother of El Amin, (165) and saw her moving her lips and muttering somewhat he understood not; so he said to her, "O mother mine, dost thou imprecate [curses] upon me, for that I slew thy son and despoiled him of his kingdom?" "Not so, by Allah, O Commander of the Faithful!" answered she, and he said, "What then saidst thou?" Quoth she, "Let the Commander of the Faithful excuse me." But he was instant with her, saying, "Needs must thou tell it." And she replied, "I said, 'God confound importunity!'" "How so?" asked the Khalif, and she said, "I played one day at chess with the Commander of the Faithful [Haroun er Reshid] and he imposed on me the condition of commandment and acceptance. (166) He beat me and bade me put off my clothes and go round about the palace, naked; so I did this, and I incensed against him. Then we fell again to playing and I beat him; so I bade him go to the kitchen and swive the foulest and sorriest wench of the wenchs thereof. [I went to the kitchen] and found not a slave-girl fouler and filthier than thy mother; (167) so I bade him swive her. He did as I bade him and she became with child by him of thee, and thus was I

[by my unlucky insistence] the cause of the slaying of my son and the despoiling him of his kingdom." When El Mamoun heard this, he turned away, saying, "God curse the importunate!" to wit, himself, who had importuned her till she acquainted him with that matter..One day, as the prefect sat [in his house], the watchman came in to him and said, "O my lord, the Jew goeth to the house of such an one." Whereupon El Atwesh arose and went forth alone, taking with him none but myself. As he went along, he said to me, "Indeed, this [woman] is a fat piece of meat." (109) And we gave not over going till we came to the door of the house and stood there till a slave-girl came out, as if to buy them somewhat. We waited till she opened the door, whereupon, without further parley, we forced our way into the house and rushed in upon the girl, whom we found seated with the Jew in a saloon with four estrades, and cooking-pots and candles therein. When her eyes fell on the prefect, she knew him and rising to her feet, said, "Welcome and fair welcome! Great honour hath betided me by my lord's visit and indeed thou honourest my dwelling.".Temam (Abou), Story of Ilan Shah and, i. 126..Two months after this occurrence, there came to me one of the Cadi's officers, with a scroll, wherein was the magistrate's writ, summoning me to him. So I accompanied the officer and went in to the Cadi, whereupon the plaintiff, to wit, he who had taken out the summons, sued me for two thousand dirhems, avouching that I had borrowed them of him as the woman's agent. (117) I denied the debt, but he produced against me a bond for the amount, attested by four of those who were in company [on the occasion]; and they were present and bore witness to the loan. So I reminded them of my kindness and paid the amount, swearing that I would never again follow a woman's counsel. Is not this marvellous?'
