The low sun was still bright on the fields and the roofs of the Great. The Kargs are deeply resistant to writing of any kind, considering it to be sorcerous and wicked. They keep complex accounts and records in weavings of different colors and weights of yarn, and are expert mathematicians, using base twelve; but only since the Godkings came to power have they employed any kind of symbolic writing, and that sparingly. Bureaucrats and tradesmen of the Empire adapted the Hardic runes to Kargish, with some simplifications and additions, for purposes of business and diplomacy. But Kargish priests never learn writing; and many Kargs still write every Hardic rune with a light stroke through it, to cancel out the sorcery that lurks in it. "At least he's not seeing the witch's girl," said Golden. "That's done with." Later on it occurred. "Yes," Tern said, "and I will till she dies. And then I'll take her daughter to Roke. And if you. The deeds and lays that tell of raids by dragons and counterforays by wizards portray the dragons as pitiless as any wild animal, terrifying, unpredictable, yet intelligent, sometimes wiser than the wizards. Though they speak the True Speech, they are endlessly devious. Some of them clearly enjoy battles of wits with wizards, "splitting arguments with a forked tongue." Like human beings, all but the greatest of them conceal their true names. In the lay Hasa's Voyage, the dragons appear as formidable but feeling beings, whose anger at the invading human fleet is justified by their love of their own desolate domain. They address the hero: Ivory looked at that hill with a kind of longing hatred. The treetops stood out more distinctly against the sky; dawn was breaking. I was glad of Wathort. Maybe that man, too, had thought he could do no harm. massive, with an iron bolt worn thin with age. "This is the back door," the mage said, unbolting. Diamond sat upright and still. He had been getting some of his father's height and girth lately, and looked very much a man, though a very young one. The light had come back into Diamond's dark eyes. There's no truth in this tale but one, which is that indeed one of the first Masters of Roke opened and entered a great cavern. But though the roots of Roke are the roots of all the islands, that cavern was not on Roke. Language of the Making. Plants and parts of plants and animals and parts of animals and islands. Diamond. It tickled him a little, though, to see his boy teaching tricks to the witch-child. "Away? In anger? To tell the Lords of Wathort or Havnor that witches on Roke are brewing a storm?" After another long time she said, "Maybe I can learn it here, sir." before, in the spell-locked barracks room at the mines of Samory. "In the Grove is no harm," said the Patterner. "Come on. There is an old house, a hut. Old, dirty. Ever since he had walked on the green hill above the town and had seen the bright shadows in the. these years to give you to Early. The way I gave you to Gelluk. I was sorry for that. I thought. Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it. They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently. It was hard work out in the pastures. "Who doesn't do hard work?" Emer had asked, showing her round, strong arms, her hard, red hands. The cattleman Alder expected him to stay out in these meadows until he had touched every living beast of the great herds there. Alder had sent two cowboys along. They made a camp of sorts, with a groundcloth and a half tent. There was nothing to burn out on the marsh but small brushwood and dead reeds, and the fire was hardly enough to boil water and never enough to warm a man. The cowboys rode out and tried to round up the animals so that he could come among them in a herd, instead of going to them one by one as they scattered out foraging in the pastures of dry, frosty grass. They could not keep the cattle bunched for long, and got angry with them and with him for not moving faster. It was strange to him that they had no patience with the animals, which they treated as things, handling them as a log rafter handles logs in a river, by mere force. oarmaster, after asking several questions of the master and Medra, began to roar at the slaves and that the working of any spell would rouse Gelluk. But at last, rashly, and in dread, for such. Chanter urged them on. They'll be along soon. "Doorkeeper was done. "A woman," he said. supposed to wait until you got tired of playing wizard.
