The prospect of importance rests chiefly on certain misapprehensions on the part of the public. Some people, for instance, pant for clones because they think them the gateway to personal immortality. That is quite wrong..Using an assumed name and a post office box number which was not his, Smith wrote to a commission agent in Boston with whom he had never had any previous dealings. He mailed the letter, with the agent's address covered by one of his labels on which he had typed a fictitious address. The label detached itself in transit; the letter was delivered. When the agent replied, Smith was watching and read the letter as a secretary typed it. The agent followed his instruction to mail his reply in an envelope without return address. The owner of the post office box turned it in marked "not here"; it went to the dead-letter office and was returned in due time, but meanwhile Smith had acknowledged the letter and had mailed, in the same way, a huge amount of cash. In subsequent letters he instructed the agent to take bids for components, plans for which he enclosed, from electronics manufacturers, for plastic casings from another, and for assembly and shipping from still another company. Through a second commission agent in New York, to whom he wrote hi the same way, he contracted for ten thousand copies of an instruction booklet in four colors..I looked at her over my shoulder.
