But when two weeks had gone by and there was still no word from the Board of Examiners, he wondered if maybe he'd managed to squeak through. He didn't see how he could have. The examiner, a wizened, white-haired fuddy-duddy whose name Barry instantly forgot, had been hostile and aggressive right from the word go, telling Barry that he thought his handshake was too sincere. He directed the conversation first to the possible dangers of excessive sunbathing, which was surely an oblique criticism of Barry's end-of-August tan and the leisure such a tan implied, then started in on the likelihood that dolphins were as intelligent as people. Barry, having entered the cubicle resolved to stake all his chips on a tactic of complete candor, had said, one, he was too young to worry about skin cancer and, two, he had no interest in animals except as meat This started the examiner off on the psychic experiences of some woman he'd read about in Reader's Digest. Jain had awakened her and told her to take a walk for a couple hours while she screwed some rube she'd picked up in the hotel bar. I tapped on the glass; Stella ignored me. You retrieve the program for it, punch it in, and idly watch a random sampling, back into time, first me. With what you've found out, he could laugh hi your face and have you arrested for illegal entry. Barry shook his head. "Twenty different ideas? Impossible." "I've tried living with you," Amanda said, "but it doesn't work. Now I won't have anything more to do with you!" Bless you, what makes you think I know? (See, there goes Byline.) Actually, critics can make educated guesses from time to time about the tastes of some groups of readers. Editors must, such judgments being their bread and butter? and look how often they fail. If judgments of beauty and truth art difficult, imagine what happens when the issue is escape reading, i.e., something as idiosyncratic as guided daydreams. Perhaps the popularity of series novels is due in part to readers* desire for a reliable, easily reproducible pleasure. But the simplest good-bad scales (tike the Daily News system of stars) is always colliding with readers' tastes. Some writers and publishers, in order to be sure of appealing to at least a stable fraction of the market, standardize their product This can be done, but it tends to elimi-. She stopped moving.
