"He was only a child, and the wizards of that household can't have been wise men, for they used little wisdom or gentleness with him. Maybe they were afraid of him. They bound his hands and gagged his mouth to keep him from making spells. They locked him in a cellar room, a room of stone, until they thought him tamed. Then they sent him away to live at the stables of the great farm, for he had a hand with animals, and

was quieter when he was with the horses. But he quarreled with a stable boy, and turned the poor lad into a lump of dung. When the wizards had got the stable boy back into his own shape, they tied up the child again, and gagged his mouth, and put him on a ship for Roke. They thought maybe the Masters there could tame him." "We must give what we have to give," said Medra. "If all but us are slaves, what's our freedom." "Look at that," said the woman. It was difficult to feel uneasy in an ordinary-looking town on a sweet spring morning, but in such silence he must wonder if he was indeed in a plague-stricken place or an island under a curse. He went on. Between a house and an old plum tree was a wash line, the clothes pinned on it flapping in the sunny breeze. A cat came round the corner of a garden, no abandoned starveling but a white-pawed, well-whiskered, prosperous cat. And at last, coming down the steep little street, which here was cobbled, he heard voices..finally beginning to understand who was the master, who the slave..that he wanted to make sure he got his rest..spoke in the Making.".."Yes," said the Patterner. "What goes too long unchanged destroys itself. The forest is for ever." "Trust," the young man said. "Yes. But against- Against them?- Gelluk's gone. Maybe Losen will..the high green hill. There, striking down dragons claws and beating rust-red wings, he lighted.."Did you think I was one of their eunuchs? That I'd castrate myself with spells so I could be holy? They gazed at the trinkets as if they were treasures. He let them gaze and finger all they would; indeed he let one of the children filch a little mirror of polished brass, seeing it vanish under the ragged shirt and saying nothing. At last he said he must go on, and the children drifted away as he folded up his pack.."Thank you," I said, "not for me. . .".opens all the greater spells; and he spoke..He nodded. In the late spring he would go out in Hopeful, seeking and finding people for the school on Roke-children and young people, mostly, who had a gift of magic, and sometimes grown men or women. Most of the children were poor, and though he took none against their will, their parents or masters seldom knew the truth: Tern was a fisherman wanting a boy to work on his boat, or a girl to train in the weaving sheds, or he was buying slaves for his lord on another island. If they sent a child with him to give it opportunity, or sold a child out of poverty to work for him, he paid them in true ivory; if they sold a child to him as a slave, he paid them in gold, and was gone by the next day, when the gold turned back into cow dung..bring the girl back to health..wizard, who had taken special responsibility for his training.
