away. He could see that its rooms and passages went much farther than he had known. He saw it with the same uncaring interest with which he saw Tinaral's body and his own body. He felt a mild regret. It was only fair that he should die here with the man he had killed. It was right. Nothing was wrong. But something in him ached, not the sharp body pain, a long ache, lifelong..Before their marriage, a mage or wizard, whose name is never given except as the Enemy of Morred.That was no doubt Kalessin taking Ged home, multiplied by sailors making a good story better. But."What did you want, Diamond?".They were both shy. When Medra took her hand his hand shook, and Ember, whose name was Elehal, turned away scowling. Then she touched his hand very lightly. When he stroked the sleek black flow of her hair she seemed only to endure his touch, and he stopped. When he tried to embrace her she was stiff, rejecting him. Then she turned and, fierce, hasty, awkward, seized him in her arms. It wasn't the first night, nor the first nights, they passed together that gave either of them much pleasure or ease. But they learned from each other, and came through shame and fear into passion. Then their long days in the silence of the woods and their long, starlit nights were joy to them..What? What milk? She was troubled by what he had told her and by her thoughts and feelings in the Grove, and troubled that any thought or feeling could have troubled her there. She went to the house, set out her supper of smoked meat and bread and summer lettuce, and ate it without tasting it. She roamed restlessly back down he streambank to the water. It was very still and warm in the late dusk, only the largest stars burning through a milky overcast. She slipped off her sandals and put her feet in the water. It was cool, but veins of sunwarmth ran through it. She slid out of her clothes, the man's breeches and shirt that were all she had, and slipped naked into the water, feeling the push and stir of the current all along her body. She had never swum in the streams at Iria, and she had hated the sea, heaving grey and cold, but this quick water pleased her, tonight. She drifted and floated, her hands slipping over silken underwater rocks and her own silken flanks, her legs sliding through waterweeds. All trouble and restlessness washed away from her in the running of the water, and she floated in delight in the caress of the stream, gazing up at the white, soft fire of the stars..murmured. Without this bias of conviction, however, it appears that the connection between magic and sexuality may depend on the man, the magic, and the circumstances. There is no doubt that so great a mage as Morred was a husband and father..The weather was fair for once: a following wind, a blue sky lively with little white clouds, the mild sunlight of late spring. They made good way from Geath. Late in the afternoon he heard the master say to the helmsman, "Keep her south tonight so we don't raise Roke.".The spasm passed; Heleth answered, "Inside it. There at Yaved." He pointed to the knotted hills below them. "I'll go in, try to keep things from sliding around, eh? I'll find out when I'm doing it, no doubt. I think you should be getting back to yourself. Things are tightening up." He stopped again, looking as if he were in intense pain, hunched and clenched. He struggled to stand up. "What have you got there?".Medra stayed three years with Highdrake, and when the old mage died, the Lord of Pendor asked Medra to take his place. Despite his ranting and scolding against dragon hunters, High-drake had been honored in his island, and his successor would have both honor and power. Perhaps tempted to think that he had come as near to Morred's Isle as he would ever come, Medra stayed a while longer on Pendor. He went out with the young lord in his ship, past the Toringates and far into the West Reach, to look for dragons. There was a great longing in his heart to see a dragon. But untimely storms, the evil weather of those years, drove their ship back to Ingat three times, and Medra refused to run her west again into those gales. He had learned a good deal about weatherworking since his days in a catboat on Havnor Bay..The Changer stared openly at her. He was not as tall as she was.
