He caught Lechat's eye and appeared worried. "The message would have to go out live from there," he said slowly..As far as Borftein could see, with himself and the Army behind him, Kalens had all the authority he needed-provided, of course, that he

won the upcoming election. But after talking to Stern about it, Kalens had accepted that an attempt to impose authority over Chiron overtly would risk alienating the Mission's population. A more subtle approach was called for. "Ultimately, human instincts cling to the known and the familiar," Kalens lectured Borftein later. "A visible commitment to lawfulness as a alternative to the lawlessness of this planet is the way to maintain cohesiveness. We can't afford to jeopardize that." So Borftein had -agreed to try playing the game their way, which hinged upon provisions written into the laws to take account of the abnormal circumstances of a twenty-year voyage through space..by then? This territory, however, is as unknown to them as it is to him..Colman frowned and shook his head with a sigh as he thought about it. "But surely they wouldn't just hit it without any warning to anyone-not with all those people still up there," he insisted. "Wouldn't they say something first.. let Stern know what he's up against?". Celia was unable to reply. The answer lay behind a trapdoor in her mind that she had refused to open. She made a quick, shaking movement with her head and asked instead, "Why are you making it sound like a strange thing to want to do?"
