"Even the..".Right, I know." He turned back to the radio, and McKillian listened over his shoulder as Weinstein briefed them on the situation as he saw it. It pretty much jibed with Crawford's estimation, except at one crucial point. He signed off and they joined the other survivors..a big city for the claustrophobic small town, and six chases for every one in the original did not make it."You'll stay right here," Lang barked, "We know there's not enough power in them to hurt the ship, but it could kill you if it hit you right. We stay right here until it goes off. The hell with the damage. And shut that door, quick!".Crawford ran his hands through his hair, wondering what to say. That possibility had been discussed, and was being studied. But it had to be classed as extremely remote..Meanwhile, the bills keep coming in..Bat there are other reasons. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine?what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof)..wind in the scaffolding. Then a loud sob reached our ears. Another. We turned away and slowly descended the successive stages to the ground. We didn't look back?not once. You might think you'd enjoy seeing a king cry, but you wouldn't. It's like watching a mountain dwindle into an anthill, a city crumble into dust, a kingdom turn into trash.
